

CIRCLIP PLIERS

EGA Master manufactures a wide range of Circlip pliers with black and polished finishing, made of Chrome-vanadium special steel.

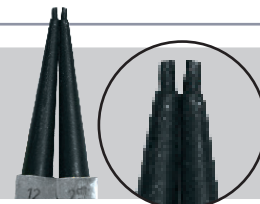

1. Available in all common sizes of washers. From 3÷10 to 85÷200 of diameter, both internal and external in straight or curved.

2. Its incorporated spring facilitates opening and speeds up the work.

3. Dipping handles for a guaranteed comfortable and anti slippery grip. All of them are made according to the UNE -16592 and UNE-46593 standards.

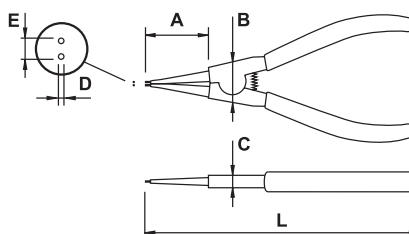

4. The tips are slightly inclined for retaining the circlips and to avoid slippery.
