PRODUCT SPECIFICATION & TECHNICAL DATA

A750 - Siberia Cold Store Glove

Collection: Thermal Protection Gloves

Range: Gloves

Materials: Nitrile, Polyester, Insulatex, Waterproof Membrane

Inner Pack: 12

Outer Carton: 72

Product information

Specially designed for use in cold store environments when handling dry objects. 100% waterproof with Insulatex lining for warmth. Nitrile palm for excellent abrasion resistance. Skin friendly - Chrome and Azo dye free.

Thermal Protection Gloves

When cold thermal hazards are present, the hands' motor skills can be greatly reduced, this leads to increased risks of accidents and injury. Specially designed thermal protective gloves are available to combat these hazardous environments.

Gloves

A wide and increasing range of Hand Protection styles is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
