

## Dräger X-plore® 3300 Half Mask

Dräger X-plore® 3300 offers both practical use and comfort, by its economical and low-maintenance design.

### Dräger "FlexiFit" head harness

- Innovative, pliable material
- Ergonomic design
- Easy donning and doffing
- Excellent fit, remains in position on every head without trapping any hair
- Good pressure distribution: the head harness does not exert pressure, even under the helmet

### Compact "low profile" design

- Side positioning of the filters and flat construction
- Excellent field of vision
- Good fit for use under protective
- Three sizes (S, M, L) are available to fit every face

### Innovative X guide of the harness

- Very easy to adjust
- Optimal weight and stress distribution
- Excellent wearer comfort

### Flexible nasal area

- Special design for extra tight fit and good shape – even with safety glasses

### Safer bayonet-type connectors

- Inserting the filters is easy: both filters are inserted from above and guided down to the connection point

## Benefits

---

### **Flexible nose area for secure fit**

The special design ensures a tight fit without added pressure on the nose bridge, in addition to wearing characteristics that prevent interference with eye protection. The three sizes (S, M, L) ensure a perfect fit for every face.

---

### **“Low-profile” design**

The lateral location of the filters and the shallow design of the mask provide an exceptional field of vision and good wearing characteristics for use under protective visors. Furthermore, the comfortable design leads to a longer wearable tolerance by the user.

---

### **“FlexiFit” head harness**

The new adaptable material provides an excellent fit on the head without trapping hair. Even under helmets, you won't notice the headgear.

---

### **Easily adjustable head harness**

The innovative X guides of the harness are easy to adjust and ensure an even weight and pressure distribution, resulting in increased wearer comfort.

---

### **Low-maintenance and cost effective**

Dräger X-plore® 3300 is a low-maintenance half face mask--the right choice. The right choice for all who need cost effective and comfortable respiratory protection.

---

### **Versatile use**

The Dräger X-plore® 3300 is equipped with two lateral bayonet connections for use with the comprehensive Dräger X-plore bayonet filter series.
